OUR PROJECT

How we work together on this one. Starts from Our Team.

HOW TO BUILD

Check the Inspiration Sheets for this section, choose or adapt the words, write one action per blank label, and place it in a row. Move or replace labels as the design changes. You can also write directly. **Blank is allowed.**

NAME

TYPE OF PROJECT

See Inspiration Sheet 2, or use your own words.

THE WORK

Plain language. Keep confidential details off the page.

OUTCOME

HOW MUCH JUDGMENT DOES IT NEED?

☐ Low ☐ Medium ☐ High

WHERE WE START

☐ Frame ☐ Explore

☐ Together ☐ Other: _____

DIFFERENT FROM OUR TEAM ON THIS PROJECT

Name only the exception, not the whole team model.

LOOK BACK: ADD TO OUR TEAM?

If it repeated across phases, it may be a team default.

FRAME

Give the work context

THINK ABOUT What must be true before the work begins?

Person does *e.g. Sets direction, defines "done"*

Person doesn't *Time, skill, or habit?*

AI does *e.g. Gathers context, researches*

AI doesn't *Approval required, or not ever?*

Notes (optional)

OUR PROJECT Phases are lenses, not steps: start anywhere, revisit any phase, add only what matters. **Blank is allowed.**

EXPLORE

Generate options and questions

THINK ABOUT What deserves more possibilities or questions?

Person does

e.g. Asks the question worth exploring

Person doesn't

e.g. Settle on the first idea

AI does

e.g. Generates options, finds sources

AI doesn't

e.g. Set priorities without input

Notes (optional)

REFINE

React, challenge, and improve

THINK ABOUT What will improve the work, and what must not be smoothed over?

Person does

e.g. Pushes back, sharpens the point

Person doesn't

e.g. Accept the first draft

AI does

e.g. Challenges, finds gaps

AI doesn't

e.g. Smooth over disagreement

Notes (optional)

OUR PROJECT Decide holds the handoffs: who makes the call, who may redirect, and who checks AI work. **Blank is allowed.**

DECIDE

Make the call

THINK ABOUT Which judgment stays with a person?

Person does

e.g. Makes the call and owns it

Person doesn't

e.g. Skip the review

AI does

e.g. Lays out trade-offs

AI doesn't

e.g. Make the final call

HANDOFFS

Who makes the call?
The person who owns the consequential decision

Who may redirect?
Who can send the work back or change its course

Who checks AI work before it moves on?
Customer-facing or public work needs a named reviewer

LEARN

Keep what worked

THINK ABOUT What do we keep for next time?

Person does

e.g. Says what to keep or change

Person doesn't

e.g. Move on without a look back

AI does

e.g. Updates notes and instructions

AI doesn't

e.g. Keep stale context

Notes (optional)
